

How to make the Beanbag Toss

The target for the beanbag is a box with a hole cut in the top.

What you need

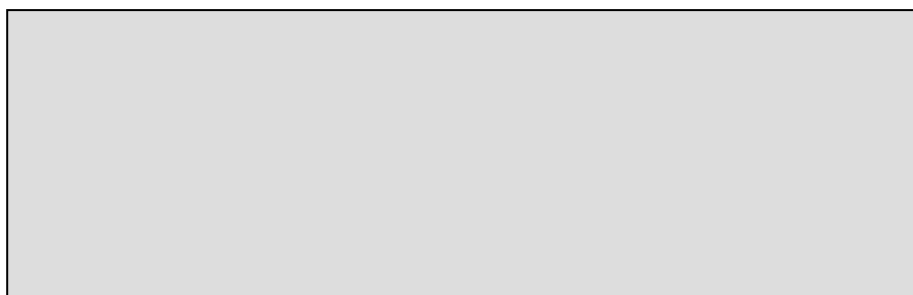

Box 10"H X 15W x 24L

Thread

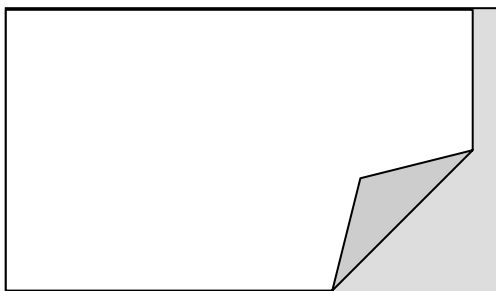

Sewing Machine

Pinto Beans

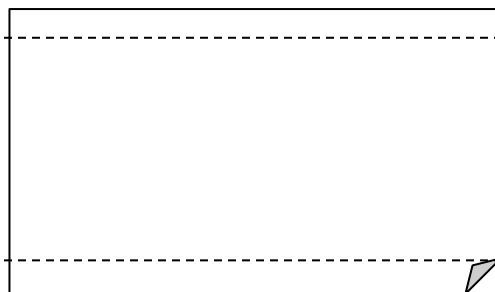

To make beanbags, cut 1 - 9" x 4" rectangle (Drawing not to scale)

Step 1) Fold in half with right sides together

Step 2) Stitch ½" seams on both sides leaving the top open

Step 3) Turn right side out and fill with dry beans (like pinto beans)

Step 4) Tuck in raw edges and stitch closed (for extra strength stitch twice)
Finished size 4" x 3"

If you would like to make a stronger bag with lining, instructions are available at:
